

Club Closure and AGM Cancellation Due to COVID-19

EFFECTIVE IMMEDIATELY

In light of the advisory from the Ontario Medical Officer of Health and local Health Authorities regarding the COVID-19 virus, the Board of Directors is taking precautionary measures and has decided to close down the club and postpone the April 6th AGM at WSSC.

The safety of our members and guests is of the utmost importance. We will continue to monitor the situation through reliable sources and provide further updates as they become available.

You will be updated in regards to the reopening of the club and on a revised date for the AGM via email, our website and the signage on the front entrance of the club.

Please contact any of the directors if you have any questions or concerns.

Remember if you are feeling unwell or have traveled outside of Canada recently and have coronavirus symptoms, please contact [Ontario Telehealth](#) and stay home.

Your patience and understanding is appreciated!

Keep Calm and Carry On
